EDUCATION

Study Program

Bhagwant Institute of Technology

04/2008 - 03/2011

Courses

- Bachelor of Computer Application

WORK EXPERIENCE

Software Engineer

UFM Private Limited

01/2022 - Present

Achievements/Tasks

- **Dynamic Data Presentation with React.js:** Utilized React.js to craft responsive dashboards, translating complex JSON data into user-friendly interfaces for returns, GST, and payments. Implemented dynamic table creation, fostering a streamlined and intuitive user experience.
- **Real-Time Insights through REST API Integration:** Integrated REST APIs to fetch and update JSON data in real-time, empowering users with the latest financial information. This approach enhanced the frontend, providing dynamic views of returns, GST details, and payments for a more informed decision-making process.
